FREE COMICS!

Do we have your attention? Good! We have an unbeatable offer to make you. How would you like to receive 10 free comics each month? It can be done. All you need do is become a member of the Mile High Comics N.I.C.E. Collectors Club. The cost is very little to join, and over the course of a year you can receive as many as 120 free comics. Over 10,000 comics collectors have used N.I.C.E. during the past 12 years, so this is not just a come-on. This offer is for real.

N.I.C.E. (New Issue Comics Express) is a service that provides collectors all over the world with new comics from all the publishers. We accumulate all the titles our members are seeking and mail them to their chosen address in a sturdy box. Members can either save postage by having their new comics shipped once a month, or can select a frequency of once a week. But with either option, they are guaranteed to receive their comics in brand-new condition. And members of N.I.C.E. can qualify for discounts of up to 40% off cover price on their new comics. Those savings can more than offset the cost of postage.

So how do you qualify for the free comics? It's easy! Just sign up for a minimum of ten monthly titles, and you'll be given the option of having ten back issue titles (our choice) shipped to you with your regular shipment. The only cost is the nominal additional postage. We can make this offer because we have over 5,000,000 back issue comics in stock, and some we simply don't need. So our excess is your great deal. Also, by becoming a member of N.I.C.E., you get the right to buy back issue comics from our huge catalogs for 20% off of list price. This is such a great deal that many collectors join N.I.C.E. just to get the discount. They buy enough back issues that their discount savings make their new comic subscriptions free!

Would you like more information on how to join? Just call our toll-free number:

Since helping International collectors is one of our specialties, we can't forget to offer the free sample membership form by mail. Just send us your name and address and we'll rush your form to you. We have a special freight consolidation service that greatly speeds the delivery of parcels to International destinations at no extra cost. So give Mile High Comics a chance to make you happy. The image shows the cover of Iron Man comic book issue #129. The title 'IRON MAN' is prominently displayed at the top in large, bold, yellow letters with a black outline. Below it, the subtitle 'QUEST FOR THE UNSTOPPABLE BLACK WIDOW' is written in a stylized font. The central illustration depicts Iron Man in a dynamic pose, seemingly in the middle of a battle or a high-speed chase. He is wearing his iconic red and gold armor. The background is a mix of dark and light colors, suggesting a complex environment. In the bottom right corner, there is a small logo for 'MARVEL COMICS' and the issue number '129'. The overall style is characteristic of classic comic book art.

The cover of Marvel Comics' 'The Everyman Avenger' features a central illustration of a superhero in a blue suit with a white mask and chest emblem, holding a yellow banner. The title 'THUNDER STRIKE' is prominently displayed in large, bold, yellow letters with a black outline. Above it, the text 'THE EVERYMAN AVENGER' is written in a smaller, stylized font. Below the central figure, the title 'THE THING AT THE BOTTOM OF THE WORLD' is written in a similar bold, yellow font. The background is a dark, textured green with a circular frame around the central figure. The Marvel logo is visible in the top left corner, and the issue number '1' is in the top right corner. The text 'A MARVEL COMICS PUBLICATION' is at the bottom left.

TEMI! When Kurse escapes from his Asgardian prison, he sets out to exact his revenge on Malekith, the being he hates most of all, in *THOR #486*. Kurse's scheme involves putting Malekith and his demonic horde against Thor, Sif, and the Godspark. Editor **Alph Meccio** called the match a "bottle royal." You can't imagine the action that is to come! **OR** is brought to you those Midgardian rivals, **Roy Thomas**, **C. Wyrman**, and **Mike Carlo**. Ralph reeked that everyone in Jullipson is wild about "a dynamic pencil!" Love **M.C.I.** Ralph said, "We think he's of the great seal!"

ITEM! We've dropped some hints about next month's "Atlantis Rising" crossover. Now here's your chance to get all the behind-the-scenes info in the **FANTASTIC FOUR COLLECTOR'S SPECIAL**.

Under an all-new cover by **Alon Davis** and **Mark Farmer**, you'll find all the "Allan's" — including the one you've never seen, as well as reprints of classic Lee Kirby Inhumans short stories, a wacky look at rejected Inhumans, and a tribute to Fin Fang Foom! So don't be left high and dry! Pick up the **FANTASTIC FOUR COLLECTOR'S SPECIAL** — we've got a sinking feeling you're gonna like it!
